Determination of Non-significance (DNS) Issued for the Fire Station 10 Replacement Project

SEATTLE — A SEPA Checklist has been completed and a Determination of Nonsignificance (DNS) has been issued for the City of Seattle's Fire Station 10 Replacement Project, located on the block bounded by: Yesler Way to the north, 5th Avenue South to the east, South Washington Street to the south, and 4th Avenue South to the west. The project will construct a new building that will co-locate a 31,000 square foot fire station (Fire Station 10), an 11,000 square foot Fire Alarm Center, and a 16,000 square foot Emergency Operations Center.

To review a copy of the SEPA Checklist or any of the supporting materials or for more information about this project please contact:
